**PATIENT AUTHORIZATION FOR RELEASE OF PROTECTED HEALTH INFORMATION**

---

By signing this authorization, I authorize McDaniel Dermatology & Skin Surgery Institute to use and/or disclose certain protected health information (PHI) about me to \_\_\_\_\_ (*Name of entity to receive this information*).

This authorization permits McDaniel Dermatology & Skin Surgery Institute to use and/or disclose the following individuals identifiable health information above me (specifically describe the information to be used or disclosed, such as date(s) of services, level detail to be released, origin of information, etc.):

I, \_\_\_\_\_, have presented to McDaniel Dermatology & Skin Surgery Institute to obtain medical treatment for myself or my child. I understand that in order to adequately treat or diagnose my condition, I may need to have a biopsy performed or have a lesion treated with liquid nitrogen, removed with curate, surgically excised, or burned off. Some risks are associated with these procedures including scarring that may look worse than the original scar, lightening or darkening of the skin, bleeding, infection, and a change in sensation. Some insurance companies may not include procedures as part of an office visit. If the procedure is done, according to your insurance plan, it may fall under a procedure deductible and you will have to pay according to your plan.

If Dr. McDaniel/ Dr. Martin feels that one of these procedures is necessary for me or my child's treatment, she will discuss this with me before proceeding with the procedure. I will be given the opportunity to ask my questions about the procedure as well as refuse the recommended procedure.

I am also aware that if a biopsy or culture is done, it will be sent to an outside laboratory where it will be processed and filed to my insurance. Therefore, according to my personal insurance plan, I may have additional fees from the lab.

By signing this, I acknowledge that I have read and understand above information.

**OFFICE POLICIES**

**LATE POLICY**

At McDaniel Dermatology our doctors and staff strive to be on time. To help our office run smoothly, we ask that if you are running more than 5 minutes late, please call us to let us know as we may need to reschedule your appointment .

**CANCELLATION/ NO SHOW POLICY**

If you need to cancel or reschedule an appointment, we kindly request that you give our office a 24-hour notice. If we do not receive a 24-hour notice, there will be a \$50 cancellation fee billed to the patient or responsible party. If a surgical appointment is missed, it will result in a \$250 cancellation fee. Please note: Patients who continuously miss their appointments without giving proper notice to our office, will be discharged from our practice after the third violation.

**GIFT CERTIFICATES**

Gift certificates must be present at the time of service. The gift certificates are non refundable and non transferable. McDaniel Dermatology is not responsible for any lost or stolen gift certificates. Our gift certificates are only valid 1 year from the date of purchase.

**DEPOSITS**

McDaniel Dermatology & Skin Surgery Institute does require deposits for certain procedures and cosmetic procedures. This deposit is non- refundable.

**BILLING AND INSURANCE**

It is the patients' responsibility to understand and acknowledge their insurance plans policies. There are many different insurance plans and each one has its own reimbursement policies. It is your responsibility to let us know of any specific requirements within your plan. We accept most major insurance plans and will file the claim, including secondary insurance to the plans we participate in. All co-payments and deductibles are collected at the time of service. If you have not met your deductible, we require you to pay the full amount at the time of service, you will receive a bill for the remaining balance. It is essential to understand that most insurance companies consider all procedures (freezing warts, biopsies, etc) to be applied to your deductible if your plan has one. If your insurance company denies your bill, you will be held responsible for the balance. If you do not have any insurance or if you are having a cosmetic procedure done, the fees will be collected in full at the time of service. If your insurance changes, it is your responsibility to inform our office at least 24 hours before your appointment to make sure we are an in-network provider. Failure to notify us may result in you having to reschedule your appointment and receive a \$50 cancellation fee. You may receive a separate bill for any laboratory test or pathology services that Dr. McDaniel or Dr. Martin may order.

**FINANCIAL POLICY**

I hereby authorize that the listed insurance companies to pay directly to McDaniel Dermatology due me, as provided in the unexpired policy. I will pay all charges in excess of whatever sums may be allowed by my insurance and acknowledge amounts due from me, outstanding greater than 90 days will be eligible for collections. I hereby acknowledge that if I am to use a credit/debit card, I will be assessed a 3% processing fee. \*\* ALL PRODUCT SALES ARE FINAL\*\*

**COSMETIC VS MEDICAL NECESSITY**

Your medical insurance DOES cover the discussion and treatment of medically necessary conditions. If you are not sure about a skin issue/lesion- please DO ask about it. Requests are frequently made to remove lesions that are NOT medically necessary or to discuss cosmetic issues. In these cases, after we have concluded the regular office visit, the medical assistant or nurse will provide you with a fee schedule for any non-covered issues. If you desire to treat any non-covered issues, we will try our best to complete the service same day. There will be some cases in which a separate or follow up appointment will be scheduled to complete the desired service.

I, the undersigned, understand the office procedures and policies as noted above. I have had the chance to have all my questions answered in my satisfaction and agree to abide by the policies above.
